LOCAL 634 UNITEHERE!

Philadelphia School Cafeteria Employees

We the undersigned members of UNITE HERE Local 634 go on record supporting the decision of our executive board to disaffiliate from the Philadelphia Joint board and to reestablish ourselves as an independent UNITE HERE Local 634 committed to ensuring that Philadelphia school lunch workers are treated with respect and dignity and focused on renewing our contract.

We stand united with our sisters and brothers in UNITE HERE across North America who are fighting to make sure that workers in food service, gaming, hotels, apparel and laundries are treated with respect on the job.
