

CALL TO ACTION

COUNT **EVERY** VOTE

By November 3, millions of Pennsylvanians will have cast their ballots in the most important election in memory. But this year, voting is not enough. After the election, we must continue to stand together and defend our democracy.

We, the undersigned, invite all Pennsylvanians concerned about the fate of our democracy to join us for a **non-violent demonstration at Independence Hall on Saturday, November 7 at 12pm** to demand:

1. That all PA votes be counted in a timely fashion.
2. That PA electors be awarded to the presidential candidate who wins the statewide popular vote.

Our top priority is safety, and all attendees must commit at all times to wear a mask and practice non-violence.
