- DO NOT plan to drive to this location unless you are specifically asked to drive a carpool ride, and are given a parking pass:
 - If you are staying at THE MINT, the Laborers' Hall is less than a block away from your location, so no one needs to drive
 - If you are staying at THE UMBRELLA, we will arrange carpools from your building to the Laborers Hall. There is limited parking which will be assigned to carpool drivers
- Don't worry, at the Onboarding, you'll receive a more detailed calendar schedule as well as training on the following:
 - Using your campaign phone
